

AUNT MINNIE
RADIOLOGY COURSES

Aunt Minnie Courses for the FRCR 2B

Logistics

Hello,

The course is being held in the Cantor building of the Sheffield Hallam University, located at 153 Arundel St, Sheffield S1 2NT. This is easily reached from the train station – just a 5-minute walk. Please see the directions that follow.

For those that are driving, please find enclosed the easiest and hopefully cheapest car parking option.

There are plenty of hotels close by with the Jury's Inn and Novotel probably the closest two – both just a stone thrown away.

We will provide information packs during the course, which will include pens and paper, so except for enthusiasm and a will to learn, you shouldn't need anything else!

Have a safe trip and we look forward to meeting you all in a few weeks.

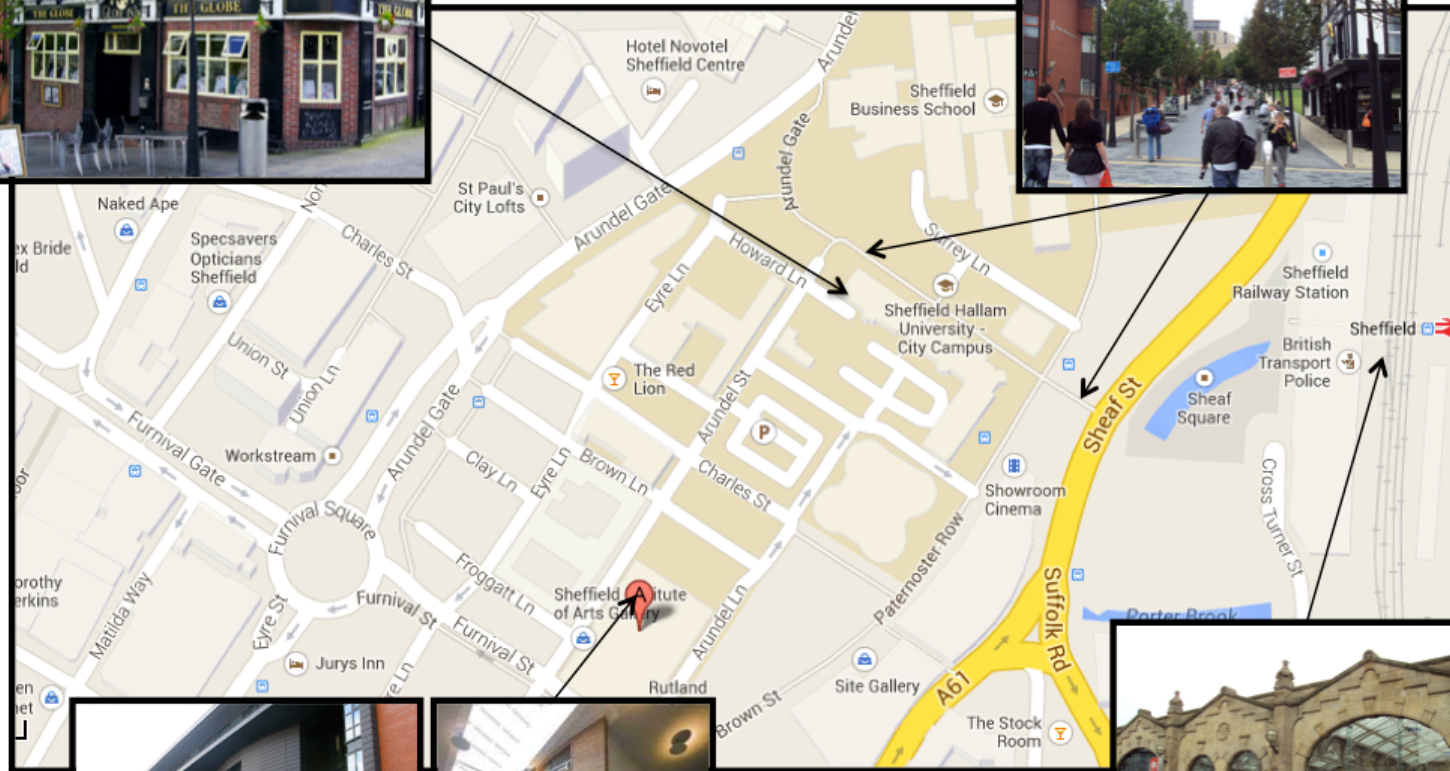

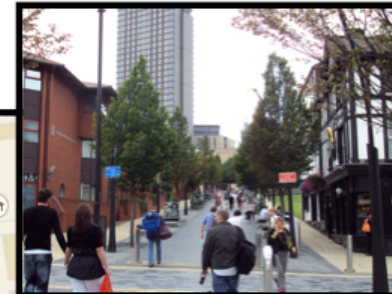

Best wishes

Ian Craven & Stuart Currie

Parking

The easiest car park is the APCOA car park on Eyre Street (shown as A on the map, just down from the Jury's Inn shown as green bubble). It should cost less than £10 per day (providing University rules have not changed by the time the course commences) - you will just need to get parking tokens validated at the reception desk - we can show you how to do this on the day. Other car parks are shown as different letters on the map below but may not be eligible for the discounted university validated rate.
